Standard 3.5mm audio output

Parameter

Speaker dimension	40mm
Power rating	2x*2
Signal processing	double stereo speaker

Battery Specifications

Built-in rechargeable 3.7V/500mA Lithium Polymer

Warranty

12 Months

Getting Started

Power Switch

1. Turn on the switch.
2. Connect the Rock-It audio plug to your music source.
3. You are now ready to enjoy your music.

Charging the Rock-It

1. Make sure that the Rock-it is turned-off.
2. Connect the micro-usb end of cable to the Rockit.
3. Connect the other end to the USB port of your GOAL ZERO charging gear or laptop.
4. All for 2 to 3 hours of charge time.

Get to know your gear

PICKUP THE BASS

The Rock-It's internal wood structure and bass speakers deliver a full-range of high-quality sound.

HANG IT

Shock cord makes it easy to hang the Rock-It from a pack, bike stem, or belt.

STOW IT

The accessory pocket stores headphones when you want to share your music.

READ IT

Know when the Rock-It is on or receiving a charge by way of the power indicator.

CHARGE IT

Use the USB ports to charge the Rock-It's rechargeable battery.

ZIP IT

Protect and store your mp3 player or iPod by closing the Rock-It and zipping it up.

Other ELITE gear

SHERPA POWER PACKS

From uncharted territory to areas with inconsistent power, this lightweight, compact rechargeable and chainable power pack offers even more power to go everywhere.

NOMAD FOLDABLE FABRIC PANELS

When space is tight and every ounce counts, this compact, chainable and foldable fabric solar panel system packs the perfect power source for every adventure.

ESTRELLA Cree LED LIGHT

With the ESTRELLA's low power draw, you can keep the trail, campsite or tent lit for hours at a time. Chain multiple Estrellas together for even more light.

SHERPA UI - INVERTER

The SHERPA UI taps into the ELITE line of power packs and enables you to charge AC devices that can typically only draw power from a wall outlet.
